

INFORMATION & CAPABILITIES

Duncan Aviation's Accessories shop has one of the fastest turntimes in the industry with the highest quality of repairs as well as overhauls. We are authorized as sales, service and support for multiple component and equipment manufacturers with a warranty up to 24 months. All accessory test equipment is calibrated using NIST certificate traceability.

BATTERIES

- Lead acid (sealed & flooded)
- Nicad (sealed & flooded)
- Mainship
- Emergency power supplies
- 5 techs, 3 shifts/7-day coverage

ELECTRONICS

- Servos/inverters/converters
- Master warning boxes
- Control panels
- Landing gear wire harnesses
- Wheel speed transducers
- Strobes/power supplies/lighting
- Aircraft generators
- 6 techs, 2 shifts/7-day coverage

HYDRAULIC/PNEUMATICS

- Skydrol/5606
- Hydro-Static testing of bottles
- Fuel pumps & valves
- Actuators
- Maxarets/anti-skid systems
- Hydraulic pumps & valves
- Wheels & brakes
- Outflow valves
- High pressure/High volume air flow
- Thrust reverser components / motors
- Air system components
- 9 techs, 2 shifts & weekend callout

ELECTROMECHANICAL

- Stab actuators
- Mechanical actuators
- Starters, generators & starter/generators
- Power relays
- Gear boxes
- 6 techs, 2 shifts & weekend callout

LANDING GEAR

Overhaul, inspection and repair capabilities on:

- Beechcraft
- Cessna
- Embraer
- Learjet
- Challenger
- Global
- 6,000 square-foot shop
- 13 techs, 3 shifts/7-day coverage

NONDESTRUCTIVE TESTING (NDT)

- Eddy current
- Fluorescent penetrant
- Ultrasonics
- Magnetic particle
- In-the-field service
- 6 techs (5 Certified Level 2 or higher)

CERTIFICATIONS

- DASSAULT**
- Falcon 10
 - Tail attach fittings
- Falcon 20**
- Tail attach fittings
 - Wheel well
 - Flap rods
 - 0-40 spot welds
 - Windshield post
- Falcon 50, 900, 2000**
- Composite
 - Tail attach fittings

PRATT & WHITNEY

- 305 IBR

BEECHCRAFT

- King Air SIRM wing spar inspections

HONEYWELL

- Main support frame assembly
- LPT2 eddy current (AD 2014-12-52)
- Fan disc attachment slot
- HPT bore

ROLLS ROYCE

- BR700 Fan Disc Ultrasonic

CESSNA

- NDT

INFORMATION & CAPABILITIES

AVIONICS AND INSTRUMENTS HISTORY

Duncan Aviation's avionics/instrument specialists inspect, install, troubleshoot, service and repair virtually every type of equipment your aircraft might have, or need to have, aboard.

We're an authorized sales and factory service center for all the industry's top-line brands including Rockwell Collins, Honeywell/Bendix King, Avidyne, Garmin, Chelton/Wulfsberg and JET/BF Goodrich/L3. We are the only authorized Universal Avionics Service Center in the United States.

The avionics & instrument shop employs 89 technicians specializing in the following areas:

- Autopilot/Flight Director Systems
- Radar Systems
- Navigation/Communication Systems
- ADF Receivers
- Flight Management Systems
- DME Transceivers
- Transponders
- Attitude Direction Indicators (ADI)
- Horizontal Situation Indicators (HSI)
- Pitot Static Instruments
- Gyros
- Calibration Services

Each area operates multiple shifts to provide the fastest turntimes and expedited AOG services.

DUNCAN AVIATION DIFFERENCES

- Free technical/troubleshooting support 24/7/365 at 800.562.6377
- Personalized service with five customer account reps at 800.562.6377
- All test equipment is calibrated using NIST certificate traceability
- Over \$10 million inventory of avionics and instrument loaners
- Large piece parts inventory. Over 95% of the time, we have the part on-hand to do the repair
- Less than 1% warranty claim rate
- Comprehensive capabilities list with more than 47,000 part/unit numbers available through online search at myDuncan.aero/online/parts and on CD by request
- International certification sign-off for 10 countries

UNIQUE SERVICE CAPABILITIES

- TDR-94/94D Transponder
- Universal FMS/TAWS/DCVR
- Authorized Artex Emergency Locator Transmitter (ELT) Service Center
- Honeywell Primus II Navigation and Communication Radios
- King KFC-400 Autopilot
- NAT VHF Radio Systems
- Chelton Avionics Systems
- Honeywell Authorized Gyro Service Center
- Authorized Avidyne Legacy MFDs Service Center (FlightMax and EX-500)

FAA REPAIR STATION-#JGVR194F

- Radio-Class 1, 2 & 3
- Instrument-Class 1, 2, 3 & 4
