N237GA SPECIFICATIONS

INTERIOR

This Gulfstream G450 features a fourteen passenger interior. The forward cabin is configured with a four place forward club that transitions into a dual mid-cabin single club configuration. The mid-cabin club is opposite a four place divan with end cabinets for passenger storage and convenience. The aft cabin is configured for a four place conference group opposite a right hand side credenza. The headliner, PCU panels and upper side walls are covered in light sand colored Ultra-Leather that transition to a light sand lower side wall. The carpet (Installed new in 2015) has a square tapestry pattern design and is a handmade in light brown and cream color. The side walls compliment the seats covered in Edelman leather. The cabinetry is finished in quarter figure Nyatoh high gloss veneer with polished gold fixtures throughout the cabin. The galley is equipped with a high temperature oven, microwave, dual coffee makers, and a granite counter top. The aircraft has two fully enclosed lavatories for privacy. The forward crew lavatory and an aft passenger lavatory are finished with Nyatoh high gloss veneer, Limestone Countertops and polished gold fixtures throughout.

EXTERIOR
