## N397CM

Duncan Aviation is pleased to present Citation Mustang Serial Number 397. This “High Sierra” Edition has an exceptional maintenance pedigree, having been professionally flown and operated as part of a larger corporate flight department.

Both engines on Serial Number 397 are nearly zero time since Hot Section Inspection by Pratt and Whitney, giving the next owner nearly 1,800 hours of uninterrupted flying until overhaul. For the utmost confidence, this no damage history aircraft is fully enrolled on Power Advantage Plus and ProParts. As a “High Sierra” Edition serial number 397 left the factory well equipped. It also features several upgrades including:

- Synthetic Vision Technology
- ADS-B Out
- Enhanced Ground Proximity Warning System
- Traffic Avoidance System
- XM Weather
- Gill Sealed Lead Acid Battery upgrade

Serial number 397 sports a four-place executive club configuration with the Smokey Quartz Platinum interior design scheme. The forward cabin features both left and right side storage cabinets, as well as a non-belted side-facing lavatory.

### **Exceptional Pedigree and Unmatched Efficiency**

The Citation Mustang provides the first time jet owner a low cost of entry, straightforward operation, and ease of use. With its Garmin G1000 Integrated Flight Deck, the Mustang will have current owners of single engine Technically Advanced Aircraft (TAA) feeling immediately at home. If you are looking for a top of the line Citation Mustang with an excellent service history, Citation Mustang Serial Number 397 is absolutely the plane for you.

### Duncan Aviation

Duncan Aviation was founded in 1956 as an aircraft sales organization and is a founding member of IADA. Since 1956, we have conducted more than 3,500 transactions. We have 2,150 aviation experts worldwide, each with an average of 12 years with the company. The aircraft sales team partners with these experts to provide technical support before, during and after the aircraft transaction.

Duncan Aviation is the world's largest privately owned business jet support facility. We provide business aircraft operators with every aircraft service they need. Yet we do so with the friendliness and responsiveness of a small-town company.

Our people have a passion for aviation and for serving customers. They are among the most experienced in the industry and the quality of the service they provide is among the best in the world.

Customers often visit our major MRO facilities in Battle Creek, Michigan; Lincoln, Nebraska; and Provo, Utah, and are surprised at our vast array of services, our innovative solutions and our excellent customer service.

We provide aircraft acquisition & sales, airframe & engine maintenance, avionics installations, interior & paint completions/modifications, avionics/instrument/accessory repairs & overhauls and parts support for Bombardier, Dassault, Textron, Gulfstream and Embraer manufactured aircraft. Our 20+ avionics satellites and 16 engine Rapid Response offices provide avionics and engine services in the field for scheduled and AOG work. And our parts team provides 24/7/365 support worldwide with knowledgeable reps who answer the phone day or night.
